

## CHAPTER 1279 LIMITED INDUSTRIAL DISTRICTS

### 1279.01 PURPOSE

Limited Industrial Districts and their regulations are established to achieve, among others, the following purposes:

- (a) To provide areas for industrially oriented office and research activities;
- (b) To provide for uses that produce and distribute goods;
- (c) To promote economic development in the City;
- (d) To protect nearby residential developments by restricting the types of permitted uses; and
- (e) To promote the most desirable and beneficial industrial uses based upon the Comprehensive

Plan.

### 1279.02 USE REGULATIONS

Buildings and land shall be used, and buildings shall be designed, erected, altered, moved or maintained in limited industrial districts only for the uses set forth in the schedules and use regulations of this Zoning Code.

(a) The main buildings and uses set forth in Section 1279.03 shall be permitted by right as the principal building or use of a lot.

(b) Conditional uses are certain types of main uses, so classified because of their uncommon characteristics, infrequency of occurrence, large land area requirements or other features, and shall not be permitted in certain locations by right. Such uses require consideration and approval by the Planning Commission according to procedures and standards set forth in Chapter 1285. Only those uses so enumerated in Section 1279.04 may be approved in the district.

(c) The accessory buildings and uses set forth in Section 1279.05 shall be permitted as a subordinate building or use, which is clearly incident to and located on the same lot as the main building or use.

### 1279.03 PERMITTED USES

The following uses shall be permitted in Limited Industrial Districts:

- (a) Research laboratories limited to small scale experimental and pilot plant operations;
