Nuisance Animals Include:

Raccoons, opossums, squirrels, groundhogs, woodchucks, muskrats, foxes, bats, skunks, weasels, minks, and rabbits.

Problems Concerning:

Hawks, owls, beaver, wild turkeys, white tail deer, and coyotes should be referred to the Wildlife Officer.

Lake County Wildlife Officer:

Officer Tom Rowan can be reached at **330-245-3034**.

Injured/Orphaned Wildlife:

These animals should be left where found. If not practical, all inquiries involving wild mammals/birds should be referred to **Lake Metroparks Wildlife Center (440) 256-2131**. The Wildlife Center does not accept raccoons, skunks, or bats for rehabilitation.

Animal Bites

Individuals that have been bitten by an animal should immediately contact their physician and the **Lake County General Health District at (440) 350-2543**. If a pet is bitten by another domestic animal or a wild animal, the owner should contact their veterinarian and report the bite to the Lake County General Health District.

Domestic Animals:

Contact the **Lake County Dog Shelter and Warden's Office at (440) 350-2640** regarding dog licensing OR loose dogs, stray dogs at-large, or stray dogs at-large that have bitten someone and need to be captured.

For information about cats or to report animal neglect, cruelty, or abuse contact the **Lake County Humane Society at (440) 951-6122**.
