**PERFECT KIRTLAND CITY IN 2029**

- SERVICE**
- Strong fire and police
  - Services across city
  - Strong parks
  - Independent living for seniors
  - Mix of professional services w/ restaurants and shopping
  - Nice grocery store
  - Recreation center and swimming pool
  - Clean yards
  - Better athletic facilities for schools and residents
  - Have a world class recreation center for school and community use
  - Clean, neat, no garbage
  - Security better than Chagrin Falls. More like Savannah Georgia
  - Awesome fire safety
  - Sports complex, new fields
  - Safe place for our children to grow and thrive
  - Fully staffed police department and equipment and technology updated
  - Common/ public wifi
  - Community center with a pool and room for exercise classes
  - City's own swimming pool
  - Extended library hours
  - City parks and fields to match other great communities
  - Great safety services
  - World class schools
  - No cell towers
  - The river-edge way is a remarkable interactive hiking, biking, fishing community park
  - Drug and alcohol free
  - Recreation options
  - Community workout facility with pool
  - Great city services
  - Summer recreation program for elementary school children with busing provided
  - Better senior services
  - Leaf pickup
  - School rating

- FEEL**
- Clean yards
  - I enjoy seeing horses go by and would like to be able to raise animals
  - Keep Kirtland Green
  - Charming/dedicated downtown
  - Youth hangout
  - Parks/Green/natural environment/connected
  - Keep it green
  - "A destination"
  - More greenery and plants
  - Just the right rural aspect for us to enjoy, but with the great city facilities for all
  - Semi rural
  - Family friendly
  - Maintain as rural community
  - As rural as possible, less commercial, not another "Mentor" honors small town heritage
  - Lots of trees/greenery
  - Safe place for religious freedom
  - Small hometown feel
  - 6 & 306 is vibrant commercial draw, retain people in area
  - A more compelling and beautiful rt. 306 streetscape-trees boulevard street lights (historic)
  - A community that is racially and ethnically diverse
  - The river-edge way is a remarkable interactive hiking, biking, fishing community park
  - Public green spaces
  - Small-town USA
  - A melding of quiet bucolic neighborhoods and a focal point of the city center with bustling activities
  - Maintain small-town family community
