## **LAKE COUNTY GENERAL HEALTH DISTRICT HAS MOVED**

On December 1, 2014, Lake County General Health District (LCGHD) will have moved from the Lake County Administration Building to its temporary “permanent” location at Victoria Place located at One Victoria Square, Painesville, Ohio 44077.

Deputy Health Commissioner Ron H. Graham stated, “This move is the culmination of the hard work and charity of so many, including the Lake County Commissioners, the City of Painesville, our partners, and our dedicated staff. The move represents a critical step in our ongoing recovery from the building fire and providing essential services to our public consumers.”

LCGHD will occupy the following suites at Victoria Place:

Women Infants and Children (WIC)	Suite 285
Public Health Nursing (Vaccinations, Clinics, Communicable Disease)	Suite 215
Vital Statistics (Birth/Death Certificates)	Suite 215
Environmental Health (Plumbing, Food Service, Sewage Systems)	Suite 125
Health Promotion/Administration	Suite 125

LCGHD will begin to hold classes, clinics and other programs that were recently put on hold due to the devastating fire that took place at its facility located at 33 Mill Street in Painesville on August 20, 2014. The most up to date programming information will be available on LCGHD’s Facebook (Lake County General Health District) and Twitter (LCHealthDist) social media sites and website ([lcghd.org](http://lcghd.org)). LCGHD may also be reached at the following telephone numbers:
